The Star Spangled Banner

*Oh, say, can you see, by the
dawn's early light, what so proudly
we hail'd at the twilights
last gleaming? Whose
broad stripes and bright stars,
thro' the perilous fight,
o'er the ramparts we watch'd
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
gave proof thro' the night that
our flag was still there.*

*Oh, say, does that
Star Spangled Banner yet
wave o'er the
land of the free
and the home of the brave?*

Welcome to the 2004 Sports Acrobatics Regional Championships!

Texas Sports Ranch and I are honored to host this prestigious event. The athletes gathered here today represent the best in the "Region", and we are confident that you will enjoy their performances.

As this season draws closer to a conclusion, we hope that you will find an opportunity to reflect on the tremendous accomplishments that your athletes have had this year. Every athlete can stand proud and know that his/her efforts have gained recognition by not only his/her teammates and family, but also others. These athletes have had many challenges during their training, and each and every time they have risen to the test and found victory. They are the living proof that when given the opportunity, the young people of America can and do make us proud. They are wonderful role models for their schoolmates and other young children across our great country.

We take this opportunity to salute the hard work and efforts of the youth, and wish them the best in their competition today.

Best Luck!
